

Olympus SZ-12 Battery Replacement

How to replace a Battery for the Olympus SZ-12

Written By: Samuel Hays

Step 1 — Battery

- Slide the small, textured tab on the bottom of the camera to open the battery compartment.

Step 2

- Push down on the red retaining button to release the battery.

Step 3

- Remove the battery from the battery compartment.

To reassemble your device, follow these instructions in reverse order.
